PopLite® Hot Air Popper

- Pops with hot air, not oil, for a low-fat treat!
- Virtually no unpopped kernels.
- Faster, healthier, and more economical than most microwave bag popcorn.

Makes a **Heart Healthy** snack

While many factors affect heart disease, diets low in saturated fat and cholesterol may reduce the risk of this disease.

Measuring cup doubles as a handy butter melter.

Chute directs popcorn right into your bowl.

Built-in cord wrap for convenient storage.

Pops fast. Up to 18 cups in less than 2½ minutes with virtually no unpopped kernels.

Saves money. Uses regular or gourmet popcorn for about a third the cost of microwave bags.

Good for you. Hot air popped popcorn is all natural with no artificial flavors, saturated fats, preservatives, or added salt.

Invest in the best. In test after test, the Presto® PopLite® hot air popper outpops other* leading hot air poppers.

Easy to clean. Pops without oil so base and cover simply wipe clean.

120 volts AC, 1475 watts
