

The Master Gauge should be inspected annually or earlier if a problem arises.  
The Testing Unit can be sent in as needed.

### Shipping Checklist:

- Please fill out this form and include with package.
- You are responsible for packaging your product properly so it arrives at Presto safely and with no shipping damage. Please use adequate packaging material for shipping. The product should be secure inside the box (does not move around).
- We recommend using a tracking number for your protection. The delivery service you use is your choice.
- Ship to: **National Presto Industries, Inc.**  
**ATTN: Gauge Testing**  
**3925 N Hastings Way**  
**Eau Claire, WI 54703**

Your package will be processed upon arrival. We will return your Master Gauge and/or Testing Unit via FedEx.

For further assistance, call 1-800-877-0441 weekdays between 8:00 a.m. and 4:00 p.m. (Central Time).
